South Fork Peak Savers Pool Pump Rebate Program

The South Fork uses too much electricity. It's time to lighten the load. When you replace old, inefficient pumps you'll help reduce energy consumption – while saving money, too.

- ✓ Lower your electric bills with pumps working up to 90% more efficiently
- ✓ Get up to \$950 in rebates on EVERY new variable speed pump installed*
- ✓ Help lighten the load on the South Fork electric grid and help preserve the environment

For more information on the South Fork Peak Savers program, visit our website at www.southforkpeaksavers.com or call (833) 346-2181

South Fork Peak Savers is a program helping businesses and residents reduce energy consumption, save money and preserve our environment. Contractors participating in our program can provide access to great rebates for installing variable speed pool pumps. Pool upgrade projects save South Fork residents money while reducing peak electrical demand.

NOTE: All products must qualify for PSEG Long Island's Pool Pump Rebates. Customers must have an active PSEG Long Island account number and premises must be located east of the Shinnecock Canal in the Towns of Southampton and East Hampton.
